

SONG LYRICS

Agua Girl

(M.Beckwith) ©2010 Building Block Entertainment Inc.

Wicked Willie Laister
Squeezing toothie paster
Let faucet run
'Till he was done
What a water waster

There's Agua Girl
A super hero
Every day
She finds a way
For wasting water zero

(CHORUS)

Wet the brush
Squeeze the paste
Water off
Don't ya waste (Brush 'em good)
Water on
Rinse and spit
Water off
You're doin' it
You're doin' it

In a whirl
It's Agua Girl
Zip and zap!
Turns off the tap
What a Super Hero

(repeat CHORUS)

(instrumental section)

(repeat CHORUS)

Wasting water zero
What a super hero
(repeat)
